Boys Soccer Camp – June 29-July 3
Team Camp – July 15-17

Soccer camps open on Sundays with check-in for all resident athletes 12:30-2:00 p.m. EDT in Brandon Hall lobby. The first meal served will be Sunday dinner. Commuters should report to Yager Stadium 8:45-9:00 a.m. on Monday. Camp ends at 4:00 p.m. on Thursday with lunch being the last meal served. Athletes may be picked up at their residence hall.

Payment

Full payment must be made by seven days prior to check-in. It will not be possible to check in unless full, prior payment has been received. Only registered campers are to report to Brandon Hall—no substitutes or alternates will be accepted.

Up to the day camp begins the fees paid are refundable in-full if a medical reason or summer school requirement exists. Refund requests must be made in writing with documentation from the physician or school. Once camp begins no refunds will be given.

Medical Forms and Insurance

Each athlete must have his/her own insurance. Miami University will not be responsible for any medical or dental insurance. Any accident or illness will be treated at McCullough-Hyde Memorial Hospital near campus. Medical forms are available on this website. A medical release statement is also available and must be signed by a parent or guardian and brought to registration—DO NOT MAIL. Area hospitals will not admit or treat minors without parental approval.

Items to Bring to Camp

Each athlete should bring the following: Alarm clock, soccer shoes (indoor and outdoor), workout clothes, towels, twin-sized sheets, swim suit, toiletries, leisure clothes, jacket or sweatshirt, pillow, fan (optional, but dorms are not air conditioned). There is no need to bring other valuables such as watches, jewelry, etc., as they can be easily misplaced. The Sports School will not be responsible for such losses.

Cell phones are not permitted. Dorm phones do accept pre-paid phone cards. Each room is also equipped with a small refrigerator. We recommend you bring your own water bottle so you will have access to plenty of water throughout the camp week. Make sure you can identify your bottle by marking it clearly with your name.
